

ASCO Training Program Resources

We, JSCO, are collaborating with the American Society of Clinical Oncology (ASCO) to focus on training young doctors or researchers on a regular basis. We have received information about ASCO Trainee Resources, so please check the details below.

Koji Kono, MD, PhD
Chair, International Affairs Committee
Japan Society of Clinical Oncology (JSCO)

Resources Available for Free

- **Free ASCO Membership for Trainees!** Membership in ASCO is **FREE** for trainees, so please encourage your trainees to join at <https://join.asco.org>.
- **ASCO Connection:** This bi-weekly email newsletter keeps you informed of ASCO programs, initiatives, and resources with sections specific to both program directors and trainees.
- **Quarterly Connections:** These quarterly 1-hour video conference provide a forum for program directors to share best practices, discuss hot topics, and ask questions of one another.
- **Program Directors' Online Community:** This online community platform provides members with the opportunity to connect, collaborate, participate in discussions, and share resources with peers, as well as build meaningful connections: <https://myconnection.asco.org/programdirectors>.
- **ASCO ESMO Global Curriculum (GC):** The GC is a set of recommendations developed jointly by ASCO and ESMO for the training of medical oncologists. It has been adopted by countries around the world as a benchmark for training medical oncologists. Download [HERE](#).

Resources Available for Purchase—Discounts Available

Two of our most popular resources are the ASCO Medical Oncology In-Training Exam and the ASCO Education Essentials for Oncology Fellows:

- **[The ASCO Medical Oncology In-Training Exam \(ITE\)](#)** is a case-based, multiple-choice examination that is intended to be used for self-evaluation and program improvement. In 2023, the exam will be offered on February 28 and March 1. To learn more about the benefits of the ITE and to take a [practice exam](#), please visit [our website](#). **Registration is now open through late January. Reduced pricing is available for trainees who are ASCO members, as well as some international programs.**
- **[ASCO Education Essentials for Oncology Fellows \(EEOF\)](#)** is designed for use in Oncology Training Programs and gives trainees access to a variety of learning tools to assess their strengths and gaps and expand their oncology knowledge **at a discounted price**. EEOF includes access to [ASCO Education Essentials](#) and the [ASCO Self-Evaluation Program \(ASCO-SEP®\)](#). EEOF is a 12-month subscription, and registration is open year-round.
-

For more information about additional resources for [Program Directors](#) or [Trainees](#) please visit asco.org. To subscribe to any of the above resources or for more information, please e-mail ASCO's Professional Development Staff at professionaldevelopment@asco.org.
