

**KSMO 2024** (17th Annual Meeting of the Korean Society of Medical Oncology & 2024 International Conference) will be held at COEX, Seoul in Korea from September 26 to 27, 2024.

Since our first congress in 2019, KSMO has seen remarkable growth. For the upcoming KSMO 2024, we are preparing for a highly dynamic and stimulating array of scientific programs under the theme ‘From Insights to Impact - Defeating Cancer Together.’

KSMO 2024 will be a highly rewarding international conference and we look forward to seeing you!
