

The 3rd JCA-AACR Precision Cancer Medicine International Conference

New frontiers in precision cancer medicine through innovative modalities

June 28 (Sat.) – 30 (Mon.), 2025

Kyoto Tokyu Hotel, Japan

<https://supportoffice.jp/2025jca-aacr/>

Conference Co-chairs

Motohiro Kato, The University of Tokyo, Japan
Victor E. Velculescu, Johns Hopkins University, US

JCA Organizing Committee

Toshihiko Doi
(National Cancer Center Hospital East, Japan)
Takashi Kohno
(National Cancer Center Research Institute, Japan)
Hiroyoshi Nishikawa
(Kyoto University, Japan)
Emi Nishimura
(The University of Tokyo, Japan)
Mamiko Sakata-Yanagimoto
(Tsukuba University, Japan)

AACR Organizing Committee

Philippe L. Bedard
(University Health Network, Canada)
Francesca deMichelis
(University of Trento, Italy)
Peter K. Sorger
(Harvard University, US)
Marcel R.M. van den Brink
(City of Hope, US)
TBA

Planned Sessions

Cancer immunotherapy

Round table discussion: Peter K. Sorger, Toshihiko Doi,
Marcel R.M. van den Brink, Hiroyoshi Nishikawa,
Yosuke Togashi *et al.*

Cancer progression and treatment development

Unravelling genome complexity

Pediatric cancer

Hematologic malignancies

Genome data science

Clonal hematopoiesis
