Go Submit Abstract >

You can be the **Winner** of KSMO 2025!

Last year,

46 people from 15 countries received

Travel Grants and 27 people from

14 countries received Young Investigator Awards

This year, opportunities are open to even more researchers!

Application Deadline: **May 9, 2025**

The event was exceptionally well organized, insightful, and filled with invaluable knowledge.

N** H**

2024 YIA Award Winner

It was a great experience and the best conference so far.
I would love to join the conference next year.
