

## SINGAPORE 6-8 DECEMBER 2024

The ESMO Asia Congress is an annual event where global and Asian cancer professionals come together, to present and discuss the latest scientific and clinical advances across the field of oncology, of relevance at a global level, and for the Asia-Pacific region.

A stylized illustration of the Singapore skyline, including the Marina Bay Sands hotel and the Singapore Flyer, set against a background of large, overlapping, semi-transparent circles in shades of orange and yellow.
