Visit & Experience Seoul ALL DURING KINGCA WEEK 2024!

Welcome to Seoul, Korea, where your experience will be fulfilled, and your leisure is full of excitement. The capital, Seoul, is steeped in a rich history of over 600 years of culture and tradition but is also an exciting futuristic city featuring the latest state-of-the-art technology. We look forward to seeing you at KINGCA WEEK 2024 in Seoul, Korea.

Why attend KINGCA Week 2024?

The Korean Gastric Cancer Association (KGCA) cordially welcomes you to the 11th annual congress of the Korea International Gastric Cancer Week (KINGCA WEEK 2024). With the slogan, 'Harmonize Expertise, Achieve Excellence', we aim to vastly improve our scientific knowledge with cutting-edge technology for the gastric cancer field. KINGCA Week 2024 will incorporate a broad spectrum of multidisciplinary research with a diverse range of surgical experts presenting on a variety of intensive subjects making for an excellent opportunity for active discussion and networking. This event will be the premier occasion to showcase the cutting-edge developments and innovations taking place around the globe.

KINGCA Week

KINGCA Week is the best learning opportunity and international festival for Gastric Cancer, from basic research to state-of-the-art therapy, incorporating a broad multidisciplinary approach. We will be grateful to have you as one of the participants in this meaningful meeting.
